

The Red Flash

Dear Customer!

Do you still remember....., „The Red Flash“? Our newsletter which you have received over and over from us to update you about actual information about Hermann Medizintechnik?

Since some time the  hasn't „flashed“ through your companies. But from now on regularly again!

To update you today about our actual product range, we would like to present you on the following pages our complete range of products with the associated catalogues.

Dear customer: now you are again „up to date“ regarding the actual Hermann products. For consulting “The Red Flash” at any time you can find a complete register with all editions from now on to download on our webpage under www.hermann-medizintechnik.de

We are looking forward to your suggestions and for any questions please do not hesitate to contact us!
